

Dear All respected Sirs,

Greetings from Amppipal

I hope you all are fine. Finally after long wait, oxygen plant system is landed mid night today in Amppipal. Installer team are working from this morning. Plants are exactly perfectly arrived. Lets hope, our goal to provide medical oxygen to our people and health institution will be met soon.

Thank you all for your very very kind contribution, efforts to make it happen.

I will update the progress.

With regards,

Babu Ram Giri
