Dear Dr. Bishnu,

Greetings from PNMF!!

I would like to kindly update you that we have successfully submitted the project to SWC. They have accepted our document which is indeed a good news and they said that they will give us an approval letter within a week. I will send the approval letter from SWC to you and your team as soon as we receive it.

Thank you very much for all your support and cooperation. We look forward working with you all.

Best Regards,
