Dear Dr. Bishnu,

Greetings from PNMF!!!

I hope all is well at your end. I would like to kindly update you that we are planning the implementation of the joint project with ANMF. We are in process of taking approval from Siddharthanagar Municipality, due to COVID -19 as I had mentioned before, we need to take approval to carry out any kind of training program in person. I will update you on the status again. We will implement it asap.

Thank you very much!!

Best,

Swati Thapa

Executive Director
