Subject: Re: PNMF and ANMF FCHV Training Video

Dear all,

Thank you very much for the opportunity to work in collaboration with ANMF. I would like to kindly update that the training program has been completed and the closing ceremony was held yesterday at PNMF, Siddharthanagar, Rupandehi district. 100 FCHVs from Siddharthanagar, Devdaha and Rohini got the training program. It was a super wonderful and impactful training program in Western Nepal. We are working on the program reports. I will send it within the month of April. I would like to share some of the photos for now. Please find the attachment.

Thank you again. We look forward to working with you all again.

Best Regards,

Swati
