Dear Respected Bishnu Sir,

I hope all is well at your end.

Please find attached all the invoices of the health training project with ANMF sent by Dharma Sir, Director of Accounts and Finance of PNMf. I have copied him in this email too, if you have any questions then please feel free to reach out to him or me. Also, I would like to kindly bring into notice that there is a difference of Rs. 20,000 (Twenty Thousand Only/-) from the previous financial document that I shared with you. Sincere apology for that, they missed out to incorporate one bill so please find attached the revised version along with all supporting documents/invoices.

We are now closing this project. Thank you very much for your wonderful cooperation and great partnership.

Best Regards,

Swati
