Subject: Re: Regarding your project application to ANMF-200DA001-ENHANCING THE PROVISION OF SAFE MOTHERHOOD AND CHILD HEALTHCARE IN RURAL KALIKOT

Hi Bishnu,

Thank you so much for reaching out. I am aware of your guidelines and did make a conscious effort to have the submitter's name be Oda Foundation Nepal, which is a Nepal registered organization.

Please let me know if there is something in particular that needs to be changed. My apologies for any confusion.

All the best,

Nick Kraft
