**Subject:** Re: Regarding your project application to ANMF-200DA001-ENHANCING THE PROVISION OF SAFE MOTHERHOOD AND CHILD HEALTHCARE IN RURAL KALIKOT

Thank you Nick for getting back to me.

As long as ODA Foundation Nepal is a registered non profit organization in Nepal in the same name, as in the application, and is able to receive funds at a bank account in Nepal in the organization name, we will discuss your application in detail in our next project committee meeting and go from there.

Best regards,  
Bishnu
