Subject: Notice of temporary suspension of review of new projects (200DA001-ODA FOUNDATION))

Dear Nick,

Good Evening,

Due to the COVID 19 pandemic impact in Nepal, we have diverted our significant resources (expert and financial) in that direction for the time being. Hence, we have decided to postpone the review of newly submitted projects until further notice. We have also temporarily closed new project submission until further notice.

I would like to apologize for the inconvenience this may have caused, on behalf of ANMF.

We will update you as soon as we decide to review the projects again.

Thanking you,

Sincerely,

Bishnu Sapkota, MD, FACC
