Subject: Re: Acute relief for flood victims in Melamchi

Dear all,

I would like to inform you that we (Dr. Bhupendra and myself) along with NMA [Nepal Medical Association] have handed over 4 Oxygen concentrators and medicines to the CDO [Chief District Officer] and mayor of Sindhupalchowk (district headquarters of Flood hit areas)

As per the discussion with the CDO of Sindhupalchowk

1. Food is not a priority but rather some essential drugs (Which he will send us the list)
2. There is no blood bank in the whole district and as Sindhupalchowk is a disaster prone area he requested for a Blood bank to be established
3. He had also requested for a ventilator as they had no ventilators also

These were the request by the CDO as per our discussion so we would like to discuss with our ANMF team about anything we could do

Thank you!

Respectfully,

Bikrant Rana
