FUND ASSURANCE NOTICE

December 13, 2021

This is an advance notice that the America Nepal Medical Foundation/USA intends to transfer by wire **\$2,074 USD** to **America Nepal Medical Foundation/Nepal, also known as America Nepal Chikitsa Pratisthan (ANMF/Nepal)** for the purpose of funding the following project:

21ANMF013 Tele-Consultation for Home Isolation Patients \$2,074

Funding is for continuation of 21ANMF004 and 21ANMF011. Covid cases are on the rise and this project is helpful for Covid patients in home isolation having difficulty visiting hospitals. Funding will be used for professional tele-consultation services for Covid-19 patients in home isolation. Nepal Medical Association (NMA), Epidemiology and Disease Control Division (EDCD), and America Nepal Medical Foundation/Nepal have partnered in this project to provide a call center for tele-consultation services for home-isolated Covid-19 patients. Patients are referred to a specialist according to needs and otherwise a medical officer attends the call.

America Nepal Medical Foundation/Nepal will monitor this project.

Social Welfare Council Nepal (SWC) approval must be received, and a memorandum of Understanding (MOU) signed prior to the distribution of these funds.

Sincerely,

Julia Shepardson
