**Subject:** Re: Fund Assurance Notice 21HFN001

Thanks Binita. We have already received an approval letter from the Social Welfare Council (SWC) to implement project activities on testing, tracing, isolation and telemedicine in Gulmi and Dang. Please find the attached approval letter for our reference. We have started implementing the project in Gulmi in close coordination with Gulmi Hospital, Resunga Municipality and Provincial Ministry of Health and Population.

We would like to thank ANMF for the financial commitment and support. Please kindly let us know if you need any additional documents or information to transfer the funds to HFN Nepal (or HFN USA). We look forward to hearing from you.

Kind regards,

Madan
