FUND ASSURANCE NOTICE

September 19, 2023

This is an advance notice that the America Nepal Medical Foundation/USA intends to transfer by wire **\$28,500 USD** to **America Nepal Medical Foundation/Nepal, also known as America Nepal Chikitsa Pratisthan (ANMF/Nepal)** for the purpose of funding the following project:

23ANMF002 Pediatric Critical Care Fellowship Program \$28,500.

Funding is for the Patan Academy of Health Sciences pediatric cardiac intensive care unit (ICU) training and support for two fellows; a portable ultrasound machine urgently needed for training and care; and educational materials. The Pediatric Critical Care medicine fellowship program at Patan Academy of Health Sciences is the first such program to train pediatricians in pediatric critical care and address the acute shortage of pediatric intensivist manpower in Nepal. There are less than ten pediatric critical care specialists in Nepal.

This Fund Assurance Notice replaces and invalidates the Fund Assurance Notice for 23PAHS001 dated May 24, 2023, that was for direct funding to Patan Academy of Health Sciences.

America Nepal Medical Foundation/Nepal will monitor this project.

Social Welfare Council Nepal (SWC) approval must be received, and a memorandum of Understanding (MOU) signed prior to the distribution of these funds.

If the grant recipient fails to obtain SWC approval within one year, then this letter will be void and the grant recipient will be asked to resubmit its grant application.

Sincerely,

Julia Shepardson
